Add a sign board to your bin for additional messaging. What makes our sign board different from others is it is 8.5"x14" (legal) and others are 8.5"x11.5" (letter). It can also easily be set to portrait or landscape orientation and others cannot.

- ✓ It can be set to portrait or landscape orientation
- ✓ Size: 8.5"x14" (21.6 x 35.5cm) legal sheet (larger than standard 8.5"x11" letter)
- ✓ Printed signage include
- ✓ Simple installment - no tools required
- ✓ Fits on the EC1119 30 Gallon: Short side or Long side
- ✓ Fits on the EC1818 45 Gallon
- ✓ Fits on the EC2626 60 Gallon (Funnel lid version only)
